ABOUT REBUILDING HOPE

Rebuilding Hope is the sexual assault resource center for Pierce and Kitsap counties. We provide a variety of programs and services to address and prevent sexual violence including 24/7 general, medical and legal advocacy; therapy for teens, adults, and family/friends of survivors; and community prevention education.

MISSION

Rebuilding Hope offers support toward healing through advocacy and therapy for those affected by sexual assault and abuse. Through education and collaboration, Rebuilding Hope improves the community's response to sexual assault and abuse victims and challenges the behaviors and beliefs that promote sexual violence.

ABOUT THE SPRING SOIREE

Every April, Rebuilding Hope honors Sexual Assault Awareness Month by bringing our community together in celebration of our tireless efforts to end sexual violence and enable victim-survivors to find healing. The joyful cocktail hour-style event features a live auction, raffle drawings, raise the paddle, games and more!

This year, we aim to raise $100,000 to support existing and expanding services and programs. Our goal is that at least half of that amount will come from partnering sponsors like you!

WHY YOUR SUPPORT MATTERS

Your sponsorship is not just a financial contribution; it's a statement of solidarity with survivors and a commitment to creating a safer, more compassionate community.

Your support sends a powerful message that we stand united against sexual violence and abuse.
